The long awaited theater renovation is finally completed! We now have a scene shop, two dressing rooms, piano storage, and a storage loft! Every room is equipped with a TV that live streams the stage. At the December meeting for Thespian Troupe #354, thespians were quite literally jumping and screaming for joy at seeing their new home! We are very thankful to the district for our renovated workspace, and look forward to using it to its full capabilities for performances.

Are you interested in being a part of the Park Player's spring season, but you don't want to be on stage? Join crew! If you have interest in being a crew head this season, applications are now available for the musical Mamma Mia! The application is in the audition page on the website, print it out and turn in your filled out application to the Salem General office where you'll ask the secretary to put it in Mr. Bird's mailbox. You have the option of applying to be head of sound, lights, scenic art, carpentry, costumes, props, publicity, or to be a house manager! Applications are due on the 20th of January. If you would like to participate in crew but don't want to be a crew head, then general crew is for you! There is no application for general crew, once crew begins working all you need to do is show up ready to help build sets, and you can email Paul Bird for the crew schedules. Alternatively, if you have interest in being a stage manager, or assistant stage manager, you can fill out the application also found on the audition page. Stage manager applications are due no later than December 23rd, they will also be turned into Mr. Bird's mailbox.
