Complete Works of William Shakespeare (Abridged)

The Complete Works of William Shakespeare (Abridged) tells the story of an eccentric theatre troupe who decide to attempt an unheard of feat: to perform all 38 of Shakespeare's plays in just 90 minutes. The troupe performs a series of hilarious parodies that take Shakespeare's works to the very limit. With audience interaction, improv, countless characters, and a soundtrack like no other, this show is guaranteed to keep you laughing. The Park Players Theatre Company will be performing *The Complete Works of William Shakespeare (Abridged)* on March 10th, 11th, 17th, and 18th in the Canton Little Theatre, with no show night exactly the same! Mamma Mia!

On April 7th, 8th, 14th, and 15th, the Park Players Theatre Company will be performing the fun jukebox musical "Mamma Mia!". The story takes place on the Greek Island Kalokairi, where a young woman, Sophie Sheridan, will be getting married, but one guest is yet to be invited to the wedding, and that is her father. Due to her mother, Donna Sheridan, having a past with three specific men, the answer is not clear, so she decides to invite all three. Upon arrival of the three potential fathers, Donna gets hit with bittersweet nostalgia, and finding out who the real father is becomes progressively difficult for Sophie as she learns more about the three candidates. The musical includes multiple songs from the Swedish pop group ABBA, whose songs are quite the catch, We hope to see you when the performances of "Mamma Mia!" come around!
